

Diploma support programme
Preparing practitioners

The Diploma support programme

would like to thank

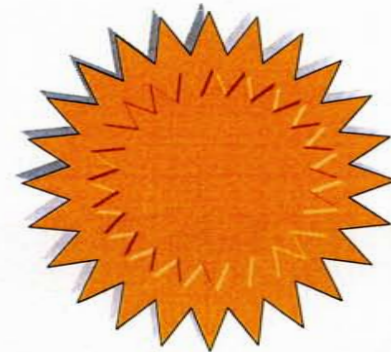

Swift+Engineering Services Limited.

for the collaborative work they have done to deliver

Inside the Workplace,

a training event for practitioners preparing to deliver the Diplomas

Sarah Ridgway.

Programme Director

The Quality Improvement Agency (QIA) and the Centre for Excellence in Leadership (CEL) have joined together to form the Learning and Skills Improvement service (LSIS), dedicated to the development of the FE and skills sector.
